PS750 Electric Pole Saw

The Oregon 750 watt PS750 Pole Saw is great for all trimming and pruning jobs. The telescopic shaft allows up to 2.69 m length for an overhead reach of 4 m. Its durable, light weight design will help to reduce fatigue. Limited down time required to retension the chain with the tool-less chain tensioning. You simply turn the tensioning knob to maintain an optimal tension of your chain.
